

Confidentiality Note: Any personal information you share in this form will be maintained by your covered housing provider according to the confidentiality provisions below.

Purpose of Form: If you are a tenant of or applicant for housing assisted under a covered housing program, or if you are applying for or receiving transitional housing or rental assistance under a covered housing program, and ask for protection under the Violence Against Women Act (“VAWA”), you may use this form to comply with a covered housing provider's request for written documentation of your status as a "victim". This form is accompanied by a "Notice of Occupancy Rights Under the Violence Against Women Act," Form HUD-5380.

VAWA protects individuals and families regardless of a victim’s age or actual or perceived sexual orientation, gender identity, sex, or marital status.

You are not expected **and cannot be asked or required** to claim, document, or prove victim status or VAWA violence/abuse other than as stated in "Notice of Occupancy Rights Under the Violence Against Women Act," Form HUD-5380.

This form is **one of your available options** for responding to a covered housing provider’s written request for documentation of victim status or the incident(s) of VAWA violence/abuse. If you choose, you may submit one of the types of third-party documentation described in Form HUD-5380, in the section titled, “What do I need to document that I am a victim?”. Your covered housing provider must give you at least 14 business days (weekends and holidays do not count) to respond to their written request for this documentation.

Will my information be kept confidential? Whenever you ask for or about VAWA protections, your covered housing provider must keep any information you provide about the VAWA violence/abuse or the fact you (or a household member) are a victim, including the information on this form, strictly confidential. This information should be securely and separately kept from your other tenant files. This information can only be accessed by an employee/agent of your covered housing provider if (1) access is required for a specific reason, (2) your covered housing provider explicitly authorizes that person’s access for that reason, **and** (3) the authorization complies with applicable law. This information will not be given to anyone else or put in a database shared with anyone else, unless your covered housing provider (1) gets your written permission to do so for a limited time, (2) is required to do so as part of an eviction or termination hearing, **or** (3) is required to do so by law.

In addition, your covered housing provider must keep your address strictly confidential to ensure that it is not disclosed to a person who committed or threatened to commit VAWA violence/abuse against you (or a household member).

What if I require this information in a language other than English? To read this in Spanish or another language, please contact **GEAUGA METROPOLITAN HOUSING AUTHORITY** or go to geaugamha.org

You can read translated VAWA forms at https://www.hud.gov/program_offices/administration/hudclips/forms/hud5a#4. If you speak or read in a language other than English, your covered housing provider must give you language assistance regarding your VAWA protections (for example, oral interpretation and/or written translation).

Can I request a reasonable accommodation? If you have a disability, your covered housing provider must provide reasonable accommodations to rules, policies, practices, or services that may be necessary to allow you to equally benefit from VAWA protections (for example, giving you more time to submit documents or assistance with filling out forms). You may request a reasonable accommodation at any time, even for the first time during an eviction. If a provider is denying a specific reasonable accommodation because it is not reasonable, your covered housing provider must first engage in the interactive process with you to identify possible alternative accommodations. Your covered housing provider must also ensure effective communication with individuals with disabilities.
