

Do you have **trouble breathing** when it's hot outside? Do you need **help paying your electric bill** this summer?

If so, you may qualify for the HEAP Summer Crisis Program.

HEAP

Summer Crisis Program

The Summer Crisis Program (SCP) begins July 1 and runs through September 30. The SCP is designed to help qualified households pay for summer cooling. Through the SCP, eligible Lake & Geauga County households can receive a one-time payment on electric bills AND/OR a fan or an air conditioner. Air conditioners and fans are available on a limited basis and will be given out on a first-come, first-served basis.

Households must have a gross income that falls at or below 175% of the federal poverty level AND meet ONE of the following eligibility criteria:

- a household member who is over the age of 60;
- provide original physician documentation of medical necessity;
- or have a disconnection notice.

We cannot pay current PIPP payments. Copays may be required. An in-person appointment is required.
