

Cloth Face Masks for Geauga Metropolitan Housing Residents

We are so excited to let you know we have masks to share with you!

Please complete and submit the form below to request a free homemade face mask for yourself and/or the members of your household.

IMPORTANT! Please be mindful that the cloth face masks/coverings should be used as an **ADDITIONAL** measure to help protect against the spread of COVID-19. **They are not medical grade and SHOULD NOT REPLACE OTHER PREVENTATIVE MEASURES** outlined by the CDC or local Health Department, such as social distancing, frequent hand washing, and refraining from touching your mouth, nose, or face. Please continue to stay home as much as possible and limit trips to essential errand/work, even when wearing a mask. Thank you for helping keep our community safe during this unprecedented time.

Masks are for current Public Housing and HCV (section 8) participants. First come first serve basis.

**This program is made possible by the Million Mask Challenge, along with the collaborative efforts of generous volunteers from the local community.*
