Re: Procedures in case of extreme weather

From: Lisa Price, Public Housing Manager  
Alan Kobe, Maintenance Manager

As the threat of extremely cold weather is a possibility for our area this weekend, and throughout the winter months, we would like to provide some reminders so we can avoid frozen pipes and property damage.

- 1) Please keep the kitchen sink cabinet and bathroom vanity cabinet doors open to prevent pipes from freezing;

- 2) If the outside temperature is **five degrees or less**, please leave all faucets turned on to a trickle; this will also help prevent freezing pipes.

We appreciate your help with these matters; **stay warm and safe!**

Note: Geauga County is prepared to open a warming shelter if needed
